**DEFENDANTS' MOTION TO IMPOUND
DEFENDANTS' MEMORANDUM OF LAW IN OPPOSITION TO PLAINTIFFS'
MOTION TO COMPEL**

Defendants Patrick Treado and ChemImage Corp. respectfully move this Court under LR 7.2 to impound Defendants' Memorandum of Law in Opposition To Plaintiffs' Motion To Compel. As grounds for this request, the defendants state the following:

1. Defendants' Memorandum of Law in Opposition To Plaintiffs' Motion To Compel is being filed under seal, by hand, with the Court because it describes and/or characterizes documents which have been designated "CONFIDENTIAL" in accordance with the Protective Order in the present case.
2. The plaintiffs and defendants had previously agreed to not disclose certain subject matter described and/or characterized in the attached document. See Exhibit X to Plaintiff's Motion To Amend Complaint, BATES No.: CRI004143, ¶2.
3. The Protective Order in this case, entered by the Court on May 1, 2006 [D.E. 38], states, at Sect. E(2):

In the event that any Protected Material is used in any Court proceeding in connection with this action, it shall not lose its status as "CONFIDENTIAL" through such use, and the parties shall take all reasonable steps to protect the confidentiality of such Protected Material during such use.

4. Due to the sensitive nature of the subject matter described and/or characterized in the attached document and the potential harm that would be caused to the defendants by its public dissemination, pursuant to Sect. E(2) of the Protective Order, the defendants hereby request that the Court order the impoundment of the attached document pursuant to LR 7.2, which impoundment shall last until further order of the Court.

5. Pursuant to LR 7.2(a), the defendants suggest the attached document be returned to defendants' custody after the period of impoundment.

WHEREFORE, defendants respectfully request that this Court:

- A. Issue an order impounding the Defendants' Memorandum in Opposition to Plaintiff's Motion to Amend Complaint; and
- B. Grant such further and other relief as this Court deems just, equitable and proper.

Respectfully submitted,

PATRICK TREADO AND CHEMIMAGE CORP.
